# GO BEYOND INSURANCE PLACEMENT BEYOND BROKING

Discover protection solutions across JLT Australia:

 <b>VALUATIONS</b> Are you confident your assets are declared for the correct amount? Declare accurate values, realise correct premiums and ensure you're covered in the event of a loss utilising JLT's Valuation Services.	 <b>WORKERS' COMPENSATION</b> Achieve significant premium savings, experience fewer claims and transform the lives and families of your people.
 <b>TRADE CREDIT</b> Preserve your profit, protect cash flow and strengthen credit management.	 <b>PRIVATE HEALTH</b> Engage your business with an employee or employer funded Private Health Insurance scheme and build risk management funding for employee and organisational health and wellbeing.
 <b>FORENSIC SERVICES</b> Protect your balance sheet and cash flow with appropriate limits, optimised insurance payouts and efficient, complex claims management. Maximise recovery with minimum complexity.	 <b>EMPLOYEE INCOME PROTECTION</b> Boost your organisation's health, realise the ability of your people whilst supporting them financially and become an employer of choice.
 <b>CYBER</b> Protect your business from many of the first party costs and third party claims that can result from a data breach or other cyber incident.	 <b>REHABILITATION</b> Get your people back to work faster and reduce return-to-work costs with JLT's in-house national occupational provider Recovre.
 <b>PREMIUM FUNDING</b> Take control of your cash flow and avoid large lump sum payments by taking advantage of our monthly Premium Funding instalment option.	 <b>RISK MANAGEMENT SOLUTIONS</b> Understand your exposures, build risk maturity and prioritise initiatives. Realise the full potential of your organisation with educated employees and executive support.
